South Bay To Charge For Mowing

South Bay City Commission Monday decided on mowing rates for property inside the city limits.

City mowing will cost \$5.50 a lot and \$1 an acre. Land owners have the option of having the city keep up the mowing or mowing property themselves in accordance with city ordinances. Ordinances require that growth be kept down to one foot.

Four lots in a row, owned by one person, will be billed as an acre, the commission decided.

The commission approved the

paying of three new streets.

They are: N. W. 11th St., the north portion of 7 Ave. and S. W. 3 St. An intensive program to upgrade all city streets will be followed, commissioners said.

The city will donate to the Rosenwald School fund to send

12 school patrol students to Washington this summer.

Police Chief Barry Banks was put in charge of placing new and better street light where they are needed. The commission also approved the conversion of the Fire Station into a Police Station.

Chief Banks asked the commission to investigate other arrangements for feeding city prisoners. The Sawgrass Restaurant in South Bay is presently providing the meals.

Both ambulances will be used if needed with a fireman driving the second vehicle.

This arrangement will be workable, if there are no fire and ambulance calls at the same time.

This summer, however, said

Bair, only one ambulance will be in service. During the summer, because of vacations, only two firemen will be on duty at the station and neither one will be able to leave the station while on duty.

Water Level

No rainfalls during the last 18 days of April in almost all parts of the Central and Southern Florida Flood Control District has resulted in a significant drop of water levels in all major canals, water reservoirs and lakes.

Near critical conditions in major canals serving Martin and St. Lucie Counties. Strict conservation and reasonable use of water is being urged by the District in these two counties.

Other significant declines in the 18-county FCD included: Lake Okechobee, down from 13.5 feet to 13.3 feet in the past week. The big lake, primary source of fresh water for much of south Florida, is now more than a foot below regulation and falling.

Conervation Areas 1 and 2, in Palm Beach and Broward Counties, are about 6/10 to 3/10ths of a foot below regulation.

Ambulance Crisis Here Again

The ambulance situation has again reached a crisis stage in south western Palm Beach County.

The City of Belle Glade, after termination of a contract by Palm Beach County, is again limited to ambulance service in the city limits except when payment is guaranteed, said City Manager Tevis Huguley.

The city cannot spend city money to make ambulance calls outside the city limits. Several large concerns, such as Duda Farms and the Sugar Cane Growers Co-op, have arranged guaranteed payments.

The County has guaranteed payment of \$15 for calls requested by certain public agencies. Huguley said, however, this does not even cover the basic charges. Each call is \$20 plus \$5.50 for each mile outside the city limits.

The effects of the cutback began the date of the contract cancellation, midnight, April 20. As of this date three ambulance drivers were terminated because of fund shortage, said Cecil Blair, Fire Chief. The city ambulance service is being handled by Blair's Department.

Both ambulances will be used if needed with a fireman driving the second vehicle.

This arrangement will be workable, if there are no fire and ambulance calls at the same time.

This summer, however, said

Bair, only one ambulance will be in service. During the summer, because of vacations, only two firemen will be on duty at the station and neither one will be able to leave the station while on duty.

**Little Mr. and Miss****Julie Dena Congleton And Richard Ely Win Honors**

Julie Dena Congleton was selected as Little Miss Belle Glade and Richard Ely was crowned Belle Glade's first Little Mr. Friday.

"Everyone who saw the contest enjoyed it very much and felt the judges really had a difficult decision to make when choosing the Queen and King," said Mrs. Hazel T. Litchfield.

Runners up for the Little Miss title were Anne Prescott, first and Circe Willis, second. Little Mr. runners up were Robert Echols, first and Chuck Lane, second.

The contest was sponsored by the Future Homemakers of America and the Paramedical Club, both Belle Glade High School organizations. Mrs. Litchfield is the faculty sponsor for the clubs.

Little Miss contestants ranged in age from 20 months to six years. There were 37 girls and 28 boys entered. The boys ranged in age from 16 months to five years. This was the first time the title of Little Mr. Belle Glade has been given.

"The clubs would like to express thanks to Mrs. Van Horn for the palms she so willingly loans each year for decorating," Mrs. Litchfield said.

17 Team Baseball Season

To Start May 8 in Belle Glade

Enough coaches for the full 17 teams and then some have volunteered to help with the baseball leagues here, said Ray Caruthers, President of Glades Youth Baseball, Inc.

"Now, all we ask, is that parents don't just drop the kids off for the game but stay and see their boys play," Caruthers said.

Admission is free and the first game is scheduled for May 8.

The five week season starts May 8 at 5:30 p. m. on the Belle Glade High School field with the Pony League teams (ages 13-14) of Kilgore against Duda Farms.

At 6 p. m. the Little League will start a double header at the Little League Baseball Park. Everglades Petroleum will play Atlas Chemicals and Wepworth, Inc., will play the Belle Glade Police Department.

On May 9 the Farm League teams of Sam Senter vs. Fritz Stein Farms will start at 6 p. m. followed by the Elks vs. Lake Shore. Glades Sugar House will sponsor a Farm League team, Caruthers announced. This sponsorship was not confirmed last week.

The full schedule of games will be released next week, Caruthers said.

Baseball Park Rest Rooms To Be Built by City

In a short meeting Monday, Belle Glade City Commissioners decided to build rest room facilities at the Little League Baseball Park, water palm trees on Main Street, and fire off telegrams to the state legislature.

The rest room facilities, suggested by Commissioner Aubrey Farmer, will replace portable units that have been used for the park. A ceiling of \$1,000 was set on the expenditure.

Watering the palm trees on Main Street was started Tuesday morning after commission action Monday. The trees were set up by the Chamber of Commerce Beautification Committee and have been maintained by that committee for over a year in accordance with arrangements made with the city when they were installed.

Mrs. Mae (Mrs. C. W. McDonald), who attended the beautification committee, was asked, "How much water?" "It'll run out the bottom," Mrs. Mae said. City Manager Tevis Huguley promised to have water running out the bottom of every bottom palm on Main Street Tuesday morning.

Market Report

"Prices were down a little Monday, don't know why," said Pete Clements, Manager, Glades Livestock Market.

Slaughter cows and bulls, stocker steers, heifers and cows were off \$5.50 with all other classes of cattle steady.

"We have started this week selling all bangs suspects and reactors at the tail end of the sale," Clements said. "They go right through the ring but have to sell last."

A late snack will be served.

Elks To Hold Inaugural Ball

The Elks Lodge No. 1716 announced their inaugural ball honoring the new officers for 1967-68, on Saturday, May 6.

Music will be by Peter Chase and his Orchestra from West Palm Beach. Dancing will be from 9:30 to 1:30 and donations will be \$10.00. All Elks and guests are invited to the event which will be held at the Lodge on S. E. Ave. E.

All proceeds above expenses will go towards the building fund.

A late snack will be served.

The summer Head Start program will begin in June. This kindergarten program is for only students who will be able to attend Head Start this summer. Registration was conducted Friday and Monday with classes starting Monday. A maximum of 20 children will be accepted in each class. In addition to the nine Glades centers, four more have been set up on the coast, Mrs. Mosley said.

This was designed as a two month program but was not founded in time. It is hoped that the same program will be funded again next year, she said, for the full year.

In addition to kindergarten training, medical facilities will be available for the program so that each child may receive examinations and care. A Public Health nurse will be assigned to the project and mobile dental health clinic will be set up for use during the

The kindergarten program will be taught for one month this year in nine area schools, said Mrs. Margaret Mosley, Glades Supervisor.

The kindergarten, designed for migrant children in conjunction with the summer Head Start program, began classes Monday, about 10 days after funding was received from the federal government.

Incorporated in the program will be an after school recreation program for the rest of the school year in all 14 elementary schools in the Glades area, Mrs. Mosley said. This phase of the one month program will not be limited to migrant children but will serve all children who would like to participate.

The program will provide two hours after school supervised recreation.

The kindergarten program is being held in 9 area elementary schools. They are, Belle Glade, East Lake, Everglades, Gladesville, Grove, Lake Shore, Okeechobee, Oseola, and

Letter Of Thanks

A letter of thanks from Adair Gagne, Fort Washington, Wisconsin:

While a patient at the Glades General Hospital, after a serious auto accident, I received the most courteous and considerate consideration. My heart and thanks go out to especially Dr. Baker and the staff of nurses, nurses aids, and the wonderful people of Belle Glade. Moniguer Jose, the Holy Name Society, Pink Ladies and other organization.

Through Moniguer Jose, Mr. and Mrs. J. Friedheim took charge of my wife, who isn't well. The same effort was made by Mrs. Murphy, Mrs. McCabe, Mrs. Gressinger and Mrs. Howard.

I was injured while attempting to fix a flat tire and my wife was left alone while I recovered. Another friend in need, Woody O'Neal, fixed my tire and took my car and trailer to a parking space. For all of the help, flowers, well wishes and prayers many, many thanks and God Bless you all.

GCI Progress Reported By Hap Parson

The Glades Correctional Institution staff held its second quarterly meeting since the return to the institution of L. P. "Hap" Parson, director.

Parson announced plans for one or two new vocational training classes to be set up during the next quarter. Already in operation are classes in Art and Accoutrements, welding, cooking and baking, dairy and milk processing and masonry.

Parson said "We determined that one of our responsibilities is inmate motivation. To encourage the inmate to help himself, to encourage him to take advantage of the opportunities offered by our program."

Head-on Crash Kills Wilkerson

Funeral services for Samuel Wilkerson, 27, of 700 S. W. Ave. E. Belle Glade, who was killed in a head-on truck crash on Farmer's Market Road in Pahokee on Monday, will be conducted Monday, May 1 at St. John's First Baptist Church at 2 p. m. Burial will be at Port Mayaca Cemetery.

Wilkerson, who was employed by Sugarland Chemicals, Inc., Belle Glade, was well known here and well liked. Survivors include his parents, Mr. and Mrs. Jack Wilkerson, one son, Samuel, Jr.; two sisters and two brothers. Taylor Funeral Home is in charge of arrangements.

They have no desire to help themselves.

We are getting better participation in the educational program, participation in alcoholics anonymous, in group counseling, in chapel attendance, in the chorus, the choir, the band, other smaller musical groups and also in "Operation Teenager."

Parson also outlined a few minor improvements that are anticipated.

"I would like to see our parking lot reorganized and the angle lines widened with approximately 187 inches add to each space so that standard cars can park and open their doors and even overnight drivers can get in and out without being confrontational," he said.

Parson reviewed progress in all areas of Institution operation and said he and his wife are "happy to be back."

Water Main Into Bare Beach

The water line for the South Shore Water District has been almost completely from Clewiston to Bare Beach Pump Station. Water is expected to flow through the lines by this point by May 10.

More than 100 homes will be serviced by this line when a connection is made over a canal near Clewiston. As the pipe is completed up to each cut-off point, water will be available for consumers. Bare Beach is the first cut-off point.

The line will branch south from the pump station to Ritz Labor Camp and work will continue on the main line to Lake Harbor. Construction of the Storage and Pressure tank at Lake Harbor is expected to start this week.

Street Signs Vandalized

Belle Glade street signs have been the target of vandalism that has continued to increase during the past six months, said City Manager Tevis Huggely.

Over 100 signs have been removed from their post and about 25 of these have been destroyed, Huggely said. The others have been found in vacant lots, and road sides throughout the city. These must be repaired and installed. Replacing the destroyed signs cost the city \$9 each.

Last week about 15 signs were taken down in the North West section alone, said Thomas M. Patton, Street Superintendent. These were all replaced by Friday and Monday another four were missing from this same section, he said.

"It's getting to be a 'fad,' Patton said "and it is an expensive fad for the taxpayer."

One street department employee spends from 16 to 18 hours a week making new signs.

The vandalism to street signs has been noticeable for the past six months and started getting worse three months ago. In the last two weeks it has increased from 30 to 40 percent, Patton said.

Of those signs taken in the North West, only 7 have been found, Patton said. This vandalism is a nuisance, he said, it is expensive and it takes the time of street department employees who have many other jobs to do.

tion and falling. But no trouble is yet foreseen in the east coastal cities and farmlands supplied from these areas.

Conservation Area 3, where there were trapped in high water in 1966, declined from 8.9 to 8.6 feet (above sea level) in the past week and is now 1.13 feet below schedule and falling.

No regulatory releases have been made from Lake Okechobee southward at a rate of 3,000 cubic feet per second. This water is being provided for irrigation of Glades farmlands and is also being moved to Conservation Area 3 under a "transfer" plan to supply more water to Everglades National Park. Of the total, about 250 cubic feet a second is flowing into Conservation Area 3.

Way down south in the National Park, water continues to flow south out of Conservation Area 3 to nourish the park. Early this month, the flow was 200 cubic feet a second. Current flow is 160 cubic feet a second.

So far this year, 40,550 acre feet of water have been released into the Park from Area 3.

Passover Is Observed

The ladies auxiliary of Temple Beth Shalom planned and hosted a dinner in observance of the beginning of Passover Monday.

Twenty-five families gathered to celebrate the holiday and to pray for peace and freedom throughout the world.

Passover observance begins on the night of the first new moon of spring and lasts eight days. It is the celebration and remembrance of the deliverance from Egyptian bondage.

"Unlike other nations who strive to hide their lowly beginnings, the Jew makes a persistent effort to remember his slavery," said Arthur Nagler, Temple president. "The festival is known as Passover because the Angel of death 'passed over' the homes of the Israelites when the first born of Egypt were slain."

"In the Seder Service, held Monday, the children occupy an exalted position. It is planned especially to impress and inspire them. This is the oldest holiday and for 3000 years it has been observed with joy and thanksgiving as it ended a dark period of slavery and set ablaze the torch of liberty and freedom."

"The table was decked with gleaming cloths, as candles cast a warm flickering glow, a prayer was recited giving thanks and gratitude for all the blessings of the world. A child then got up and asked four questions, the same questions asked year after year to why this night is different from all other nights of the year. It is then that everyone reads the history of the past and partakes in small ceremonies to try to relive a little of what transpired through toll and suffering centuries ago, to gain all that we now enjoy and take for granted."

"Greens are dipped into salt water for all to taste as a reminder of the sweat, the tears, and the lack of food endured long ago by the enslaved. Horseradish is tasted by all to depict the bitterness and the pain inflicted by the whips of the oppressors. A mixture of chopped nuts, apple and wine is savored so that the laborers and arduous tasks of making mortar from straw and mud can be recollected."

Children are seated around President, Arthur Nagler, standing, for the Seder Service of the Passover observance, Monday at Temple Beth Shalom.

Youth To Study For Ministry

Dennis Baldwin, a senior student at Belle Glade High School has announced his decision to become a minister.

He is the son of Mr. and Mrs. Paul Baldwin, Belle Glade.

Dennis plans to take a preliminary course of study during the summer in order that he may be qualified to preach in the fall.

At the recent Quarterly Conference he was endorsed by the conference which is the official body of the congregation and recommended to the committee on Methodist qualifications to begin his study for the ministry.

Following the program refreshments of pie and cold drinks were served to members Mrs. Vivian Arnette, Mrs. Essie Suresy, Mrs. Frances Massengale, Mrs. Barney Collier, Mrs. Nutt, Mrs. Mary Sue Williams, Mrs. Jim Holcomb and Mrs. Schlechter.

The Virginia Weeks Society of the Belle Glade Baptist Church met Wednesday evening at the center. Mrs. Walter Schlechter, president, presided and presented the program.

She used a world's map and flag to pinpoint the places the Baptist Missionaries, Bill and Nina Lewis who are in Miami on leave, were working including Tanzania. She conducted the program as if she were talking to them. They will be leaving to return to Ethiopia on July 1.

Following the program refreshments of pie and cold drinks were served to members Mrs. Vivian Arnette, Mrs. Essie Suresy, Mrs. Frances Massengale, Mrs. Barney Collier, Mrs. Nutt, Mrs. Mary Sue Williams, Mrs. Jim Holcomb and Mrs. Schlechter.

Garden of Faith to be Dedicated April 30 at Community Methodist

This coming Sunday, April 30, is expected to be a memorable day in the history of the Glades. Citizens, from both this area and interested individuals outside of the Glades, will get together at Community Methodist Church at 1 p. m. for a covered dish dinner and dedication of the landscaping of the church courtyard.

The courtyard, which is to be known as the Garden of Faith, is to be dedicated to the Glory of God, and in honor of the pioneers who settled the Everglades along the shores of Lake Okechobee. Rev. J. O. Jance-

son, a former pastor, will read the dedicatory services.

An interesting and informative fifty-four page book, entitled "Our Christian Heritage" will be available at the dedication. This book has been compiled by Miss Sara Lee Creech, chairman of the church Worship Commission, and is illustrated with pen and ink drawings by Mrs. Madeleine Martin.

The Rev. Allen J. Barry, son of Mr. and Mrs. Milton Barry, director of Interchurch Ministry to students at Wesleyan University, Middletown, Conn., will speak at the 11 a. m. worship services, according to announcement of the Rev. W. R. Boland, pastor.

Mrs. H. Bussey, president of the Woman's Society of Christian Service, is coordinating all arrangements for the dinner. Douglas Thompson and the Methodist Men's Club members are arranging tables and chairs for the event. Ample space for serving the dinner indoors precludes any need for change of plans in case of unfavorable weather.

A meeting of the 21 department heads was held last Monday in Clewiston, Fla. to organize for an expected 900 delegates Mr. Jean C. Rainbow has been appointed to arrange for the facilities for the baptism of any of the delegates who may desire it.

"This is a very vital department," Rainbow said, "since we require complete water immersion for our members."

"Why do the wives and children of your ministers attend these convalesces?" we asked Mrs. Rainbow, wife of the presiding minister. "Do women have executive positions in your organization?"

"Women are never competing with men in our organization," Mrs. Rainbow said, "nor do we ever hold positions in the local congregations."

"We attend these assemblies to learn how to be better wives and mothers. With the increasing rate of divorce and juvenile delinquency, we find that our place in the home is growing with importance each day in the community," she concluded.

A film designed for all members of the family titled "God Cannot Lie" will be shown at the convention Sunday afternoon at 3 o'clock.

SERMON TOPICS "DOCTRINE OF THE SECOND JOB" will be the topic of Dr. S. H. Davies sermon Sunday morning at Lake Harbor Methodist Church.

First Baptist Church Celebrates Youth Week

Attend Annual G. A. Houseparty

The Girls Auxiliary of First Baptist Church attended the annual G. A. house party held at the Bible Grounds in Boca Raton.

Over 90 young people, from ages 13 to 24, participated in YOUTH WEEK, held last week. Some of the youth served as Sunday School teachers, Training Union leaders, Deacons, Organist, Pianist, and other prominent positions of leadership.

Russell Tenet, Jr., was the Youth Week pastor. Russell spoke at the 8:30 and 11:00 a. m. services. His sermon was entitled "THE PIT." He

brought out some of the pit falls that face young people in this modern age. Ron Smith was Minister of Music and Education.

Several social functions were planned for the youth during the week. A beach party at Riviera Beach and a semi formal banquet were the two main events. The banquet was on the "Buccaners Pirate" theme. The banquet hall was decorated to give the impression of being the "Jolly Roger Pirate Ship."

The week was very successful. The young people look forward to next year.

Services will be held each night in the Pahokee Women's Club. Rev. Horace Burger, Pastor of Lakeside Baptist Church, extends a cordial invitation to the public to attend each service. A warm welcome awaits you.

Jamaican History Told To Guild

St. Elizabeth's Guild of St. John's Episcopal Church in Belle Glade held its regular monthly meeting at the home of Mrs. Margaret Cann on Wednesday evening, April 19th at 8 p. m.

With Mrs. Barnes Smith serving as co-hostess.

Mrs. Ed Davis gave the Devotional and Mrs. Douglas W. Matthews presented a most interesting program on the history of Jamaica, assisted by Dr. James Winchester, who showed excellent color slides of areas in Jamaica, giving the Guild ladies an almost first hand view of Jamaican scenery.

During the business session presided over by Mrs. James Winchester, Guild president, Mrs. Sam Knight, Sr., reported on the Guild's Annual meeting activities which she attended last week as a delegate from St. Elizabeth's Guild.

The showing of a full-length color film entitled "God Cannot Lie" will be the featured event of the convention to be shown Sunday, April 30th at 3:00 p. m.

15,000 MILES (or how a DATSUN can give you a pocketbook a pickup!)

A few months ago, a man came into a Datsun dealer in California, and asked his tappets be adjusted. Usually he mentioned he had 163,000 miles on his 1964 Datsun Pickup. During this time he had put in 4 changes of spark plugs, a new tire and then oil changes whenever he got around to it. The dealer gave him a Datsun a minor tune up and some other services which cost \$52.00... and made it go like new. Today that Datsun has over 175,000 miles on it and is still going strong! (None of us ever on report.)

Detalles de la Conquista de America
En nuestro anterior relato dimos cuenta de la llegada de Don Cristobal Colon, y el descubrimiento de Centro y Sur America.

En la Conquista de Sur America en el Siglo XVI se destacaron varios nombres como Diego Velazquez, Hernan Cortez, el venerado fray Bartolome de las Casas, Panfilo de Narvaez, Ponce de Leon, Vasco Nunez, y Nunez de Balboa.

NORTE AMERICA
Precusores de Colon fueron los escandinavos que descubrieron el continente cinco siglos antes que Colon. Eran llamados vikings, y se estima que exploraron algunas regiones norteamericanas y Groenlandia, alrededor del año 1000.

La conquista de la America Septentrional, al norte de Mexico y del mar de las Antillas, no fue obra exclusiva de los españoles, estos nada mas la iniciaron.

La America Meridional fue conquistada por castellanos y portugueses; los ingleses del Norte, los españoles y franceses

compitieron con los españoles. Y fueron ingleses y franceses quienes fundaron sus primeras colonias. En 1524 llego a costas de America el navegante Juan Verrazani, elegido del rey de Francia para hacer descubrimientos. Cartier descubrió el gran rio que denominó San Lorenzo, y fundo en 1541 el lugar que hoy es llamado Quebec; la colonia del Canada, que fue conquistada por los ingleses en 1763. Tambien los franceses poseian colonias en Louisiana y en las Antillas Menores.

Los ingleses ultimos en llegar a la America, fue fundada su primera colonia por Sir Walter Raleigh, con el nombre de Virginia en 1590, y emigraron europeos poblaron esta colonia y la de Nueva Inglaterra al norte.

Los holandeses tambien fundaron colonias en la America septentrional, que mas tarde fueron conquistadas por los ingleses. La ciudad de New York fue fundada por los holandeses, dondeos estos el nombre de Nueva Amsterdam que tuvo hasta 1664.

Karen Had Outstanding Year

KAREN DEXTER

Karen Marie Dexter attended the Future Homemakers of America's (FHA) state convention held in Tampa, April 19-20, where she passed on her office of state president to Sandy Smith of Melbourne. Before becoming state president she served as president-elect a year. Among her honors, Karen served as a girl stater her junior year. In 1966 the State Department of Education chose her as one of the five Florida delegates to attend a White House Youth Conference on Natural Beauty, in Washington D. C. The conference was sponsored by Mrs. Lyndon B. Johnson. Due to this, Karen had the privilege of visiting the White House and meeting President Johnson. As a member of the Florida Youth Advisory Council, Karen worked with the State Cabinet and Legislature and attended several sessions. One advisory capacity she held was that of the Florida Constitutional Revision Committee. The com-

mittee asked the delegates what their opinion was of lowering the voting age to 18. The delegates all voted yes.

The delegates were formed of all the state presidents in the youth organizations in Florida. Karen was selected secretary of this group. As part of their program, the delegates made several visits to the state's correctional institutes for children. The purpose of these visits was to see what could be done to improve the institutes.

Also she served on the Florida Committee on Children and Youth. On this, Karen worked for the betterment of youth.

Since she was chosen by the State Department of Education, Karen served as a member of the Revision Committee for Home Economics Accreditation Standards in the field of high school home economics.

Mrs. Lanier, Teacher of Week

Mrs. Joan Lanier enjoys working with the senior class and each year helps them plan for and give the class play.

She helps prepare students for the county speech contest and travels with them to this event.

As Beta Club sponsor Mrs. Lanier helped with the induction of 15 new members in an assembly last week. She accompanied eleven students to last year's state convention in Orlando.

She has four speech classes and one French. In college, Mrs. Lanier was a cheerleader four years, did solo singing, synchronized swimming, and was a member of a dance club.

Before moving to Belle Glade from Ft. Myers, she had taught in four counties in Florida. In Belle Glade, Mrs. Lanier said, "I love the warm

weather, but sometimes I miss the weather and frost of northern Florida."

Mrs. Lanier holds a B.S. degree from Huntington College in Montgomery, Ala. Last year she received a National Defense Education Act grant for summer work at Florida State University. This enabled her to begin work on a Masters degree.

"I might return to Tallahassee next summer to complete work on my Masters in General Education, with emphasis on speech."

She has two children, Chuck who is in the fourth grade and Stacy who is four years old. Her husband Charles is a recreational director at the Glades Correctional Institution.

A few of her activities are skiing, swimming, gymnastics, and homeback riding.

2 To Attend Girls State Meet

Selected to attend Girls State in Tallahassee on June 16, from the Junior Class of Belle Glade High School, were Sharon Gail Walls, sponsored by the American Legion Auxiliary Unit to Post 20, Belle Glade and Marilyn Stokes, sponsored by the American Legion Auxiliary Unit to Post 160, South Bay.

Selection of the girls, by the auxiliaries with the cooperation of the school faculty, was based on their qualifications in citizenship, leadership, cooperativeness, physical fitness, scholarship, character, honesty, and courage.

Sharon Walls, daughter of Mr. and Mrs. James Walls, is announced as Girl Stater by Mrs. Colleen Motes, Girl's State Chairman. Margaret Thompson, daughter of Mr. and Mrs. Doug Thompson is alternate.

Sharon is Secretary of the Junior Class; President-elect of Homemakers Club for next year; is active member of the Young Peoples choir and other activities at First Baptist Church. She loves music and also plays piano at First Baptist. She hopes to go to college and major in music.

Marilyn Stokes, 17, daughter of Mr. and Mrs. Robert Stokes, South Bay, enjoys skiing and singing as hobbies. Her ambition is to be a music and voice teacher. She is vice-president of the Youth Cabinet for Georgia, Florida and Puerto Rico for the Church of Brethren; vice-president of the F. T. A. at Belle Glade High School; a member of Rainbows and Junior Choir Leader at First Baptist Church, South Bay.

Marilyn has a very busy and exciting summer planned. On June 24 she is leaving to attend a school in Strasburg, France for a course in French. The two delegates will be guests at a Girls State Tea to be held June 4, from 3 to 5 p. m. at American Legion Post 12, West Palm Beach. Their mothers and fathers will also be guests. Past Girl Staters and their parents are also invited.

Who Is It?

Linda Lee: "It's Bryant Price... Oh I don't know." Jeannette Riedel: "Awh, a Senior? Junior? It's a boy. Oh he's so fat. Let me think. I don't know."

Janice Papp: "It is a senior? A Junior? Looks like Bryant Price."

Mr. Ward: "It is an aristocratic pose."

Jack Keesee: "I don't know but the chair looks beat."

Wendell Wells: "It is a junior? He looks familiar, but I just can't place him."

Mrs. Youngblood: "You wouldn't want to print it. She's so cute."

Vicki Challancin: "Doesn't look like anybody I know."

Sherril Burgess: "It's a boy! It's a junior. Does he drive a tractor? Paul Anderson?"

Janice Blumenthal: "A boy? I keep thinking of Gary Remond."

Joey Hudspeth: "I don't know, babies all look the same to me."

Mrs. Williams: "Is that a real baby? It looks like a doll."

Quinn Shiver: "I just can't recognize babies."

Bert Murray: "I call him Paul Vaughn, it's Paul Anderson."

It's not Bryant Price, but it is Paul Anderson whom might be seen with Sue Morris or working out at Ag. Farm.

SENIORS TAKE TESTS

A battery of placement tests was given to students (mostly high school seniors) planning to enter Palm Beach Junior College. Approximately 30 seniors from Belle Glade attended these tests on April 15.

Students are required to take these tests before registering at P. B. J. C. Anyone who missed this previous test may take it in August.

Test scores will be used in planning each student's curriculum next year.

The tests lasted from 8:00 a. m. til 2:00 p. m. with a half-hour break for lunch.

Juniors Prepare For College

Juniors will attend the second annual Palm Beach County "Career Day" at Palm Beach Junior College on May 4. Other county schools will attend on both May 4 and May 5.

Career Day is held to enable juniors to get information regarding the colleges of their choices, the armed services, technical training opportunities after high school graduation, and employment opportunities after graduation. The juniors will attend two thirty-minute sessions of their choice. Students are advised to make plans for college during their junior year. The earlier that applications are in, the earlier the student would receive admission (usually). There are many "early decision" and "early admission" plans open to juniors who have made a definite college choice. These enable the student to make future plans and avoid idle months waiting for a decision. The most important advantage regarding early college applications and plans is that if the student is refused, there would still be adequate time to apply to other colleges.

The Prom-To Be or Not To Be?

Preparing for a beautiful prom and banquet this year, the Juniors have been meeting and making many plans.

The theme will be "TipToe Through The Tulips," since so many students have wanted this through the years. Daisies will fill the auditorium for part of the beautiful decorations, since tulips are out of season in Holland.

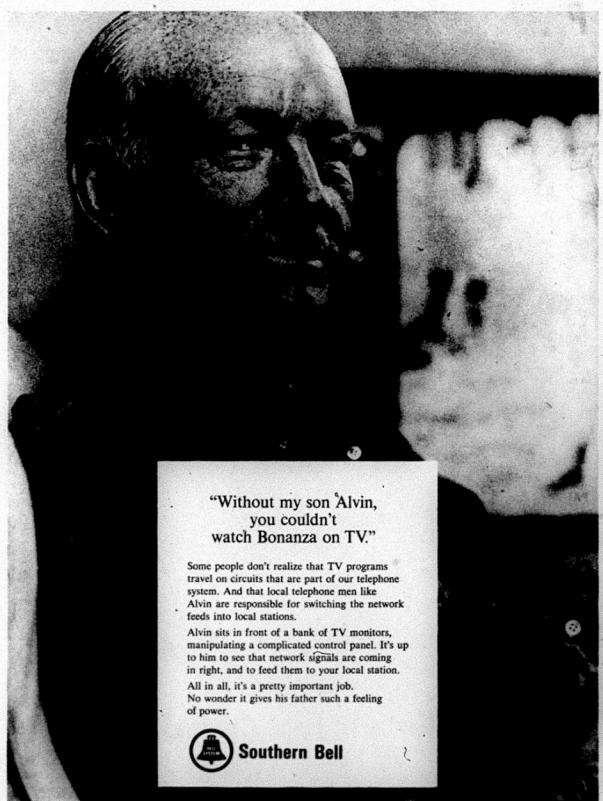

The plans are simply great this year, as far as the banquet goes. We are going to be served on paper plates with sequenced napkins and plastic silverware. Our menu will consist of pork and beans with the pork removed and hot dogs, which will be served cold. The

beverage will be buttermilk. All teachers are invited only if they bring a covered dish.

Dress will be beach wear; and boys don't forget the corsage. A waterfall with live fish will be created with the help of a suspended water hose and a couple of fans, since a windmill is very difficult to attempt to make. The Juniors are steering away from the real colors of tulips and are accenting the gym walls with hues of green, black, gray, brown, and splashes of maroon.

The Juniors are really anticipating the week of the prom, for it will be an event to remember!

"Without my son Alvin, you couldn't watch Bonanza on TV."

Some people don't realize that TV programs travel on circuits that are part of our telephone system. And that local telephone men like Alvin are responsible for switching the network feeds into local stations.

Alvin sits in front of a bank of TV monitors, manipulating a complicated control panel. It's up to him to see that network signals are coming in right, and to feed them to your local station.

All in all, it's a pretty important job. No wonder it gives his father such a feeling of power.

"This Atomic World" Presented

The Science Department presented in assembly on Thursday morning, April 20, "This Atomic World." This exhibit and lecture is a series of educational programs sponsored by the Atomic Energy Commission and presented by the Oak Ridge Institute of Nuclear Studies of Oak Ridge, Tennessee.

"This Atomic World," is concerned with the basic principles of atomic energy and

its beneficial applications. The role of the atom in agriculture, industry, and medicine were discussed. In addition, the growing importance of atomic research was stressed.

The program was well received by both the faculty and student body.

The lecture and exhibit were presented by Mr. Kenneth Platt of Tennessee Polytechnic Institute and Oak Ridge Institute of Nuclear Studies.

Pan Americanism

Significa los ideales comunes entre los Países del Norte, Centro y Sur America.—Indioes tambien todos aquellos paños de caracter cooperativo y practico que fueren menester, para realizar esos ideales.

El movimiento comenzó a principios del año 1800 por los Latinos Americanos en sus esfuerzos de independencia.—Leaders como Simon Bolivar percatoron la necesidad de una Cooperacion Interamericana. En 1826, tuvo lugar la primera reunion en Panama. Pero los Estados Unidos del Norte mostraron poco in — teres en dicha reunion.

Ma tarde, en 1889 se verifico en Washington D. C. la primera Conferencia del moderno movimiento Pan Americano.

Posteriormente en 1948, se integro la "Union Pan Americana," creandose la Organi-

zacion de los Estados Americanos (OEA).— Son 21 Naciones las que la forman. 18 hablan Espanol, una Ingles (U. S. A.), otra Frances (Haiti) y — Brasil Portugues.

El Dia Pan Americano se celebra anualmente el dia 14 de Abril.

PAN AMERICANISM

Mean the common ideals among the countries of North, Central and South America. It includes the practical, cooperative steps taken to realize these ideals.

The movement began in the early 1800s during the Latin American struggle for independence. Such leaders as Simon Bolivar saw the need for Iberoamerican Cooperation. In 1826, held their first meeting in Panama. But the United States of America showed little interest in this conference. Later, the modern movement dates from the first Inter-American Conference, held in Washington D. C., in 1889.

In 1948, the nations belonging to the "Pan American Union" created the Organization of American States (OAS).— There are 21 Nations in the (OAS) 18 speak Spanish; one speaks English (U. S. A.) others speak French (Haiti) and Brazil speaks Portuguese.

Two Students Win Speech Contest Scholarships

On Tuesday night, April 17, 1967 two LSH students journeyed to Tabernacle Baptist Church, West Palm Beach, where they attended the annual meeting of the "Grand Order of Eastern Stars to compete against other young people in a speech contest.

Ethel Lockett and Daisy McCoy, members of the LSH Junior Class were winners of scholarships.

Ethel, winner of 1st prize won a \$250.00 scholarship certificate and Daisy winner of third prize won a \$50.00 certificate. The scholarships won by the students can be used at any institution of higher learning in the state of Florida.

The purpose of the contest was to (1) inspire young people to read, study and acquire knowledge (2) bring to the public information regarding the achievement of the negro (3) to give young people an opportunity to go to college (4) give the local and state
